8:45 – 9:15  Welcome and Introduction

9:15– 10:00  Preservation Planning: Learn about the essential elements of preservation planning and how to integrate preservation as part of a broader planning effort -- not just an addition to it. Devereaux Bemis

10:00 –11:00  Standards and Guidelines for Design Review: This session will explore the relationship between Federal Standards and local design guidelines. Jo Leimenstoll

11:00 – 11:15  Break

11:15 – 12:00  Reading Plans: One of the most important tools a commissioner needs for design review is the ability to interpret architectural drawings. For commission members with a limited background in architecture, construction, or design, analyzing plans and drawings can be intimidating. Learn about the different parts and how to make sense of them. Jo Leimenstoll
